Durant Community School, hereinafter referred to as the "District", and the Durant Education Association, hereinafter referred to as the "Association", recognize that the aim of the public schools is to provide a quality education program for children and youth of the School District. The parties further recognize that attainment of this educational objective is a joint responsibility of the District: the administrative and supervisory staff, the professional teaching personnel of the district, the parents of students, and the community at large.

Whereas, the parties have reached certain understandings which they desire to confirm in this agreement, it is agreed as follows:

Article 1

Recognition

The Durant Community School recognizes the Durant Education Association as the sole and exclusive negotiating agent for all regularly employed certified personnel, hereinafter referred to as certified employees.

The Association will not negotiate for the superintendent, principals or coordinators.

If a certified employee has as secondary duties those of an administrative nature, including the authority to hire, transfer, assign, promote, discharge, discipline, evaluate, or process grievances of other employees or having the responsibility to make recommendations thereon, the Association will not negotiate those administrative duties or that portion of the salary considered to be administrative.

Certified employees shall include:

All full-time and part-time regular classroom teachers and special teachers.

All full-time and part-time guidance counselors.

All full-time and part-time librarians.

All full-time and part-time nurses.

Article 2

Impasse

The parties have agreed to the following Impasse procedures:

A. Mediation

Chapter 20 and Section 20.20 of the Iowa Code shall be used to implement the mediation process of collective bargaining.

B. Binding Arbitration

Chapter 20 and Section 20.20 of the Iowa Code shall be used to implement the binding arbitration process of collective bargaining.

Article 3

Grievance Procedure

A. Definition

A grievance is a claim by an employee, a group of employees, or the Association that there has been a violation, misinterpretation, or misapplication of specific provisions of the Agreement.

B. Statute of Limitations

Any grievance must be within ten (10-school days of the occurrence of the event grieved.) In the event that a grievance arises over an action generally unknown, the ten (10) school days shall begin when the action becomes generally known.

C. Rights

Every party covered by this Agreement shall have the right to present grievance in accordance with these procedures.

The failure of a teacher, or the Association, to act on any grievance within the prescribed time limits stated under each step will act as a bar to any further appeal. An administrator's failure to give a decision within the time limits set forth under each step shall permit the grievant to proceed to the next step.

The time limits under each step may be extended by mutual agreement.

It is agreed that by investigation or other handling or processing of any grievance by the grievant shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grievant.

Any aggrieved person may be represented at all stages of the grievance procedure by themselves, and, at their option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have rights at all levels as a party of interest and shall have the right to grieve any adjustment of the employee's complaint if such adjustment is inconsistent or contrary to the provisions of this Agreement.

D. Procedures

First Step: An attempt shall be made to resolve any grievance in informal, verbal discussion between grievant and his or her principal or principals with the objective of securing, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees.

Second Step: If the grievance cannot be resolved informally, the grievant shall file the grievance in writing, and, at a mutually agreeable time, discuss the matter with the principal. The written

grievance shall:

- a. State the nature of the grievance
- b. Note the specific clause or clauses said to be misapplied, misinterpreted, or violated
- c. State the remedy requested

The filing of the formal written grievance at the second step must adhere to the Statute of Limitations, Section B, above. The principal shall make a decision on the grievance and communicate it in writing to the grievant and the superintendent within ten (10) days after receipt of the grievance.

Third Step: In the event a grievance has not been satisfactorily resolved at the second step, the grievant shall file within five (5) school days of the principal's written decision at the second step, a copy of the grievance with the superintendent. Within five (5) school days after such written grievance is filed, the grievant and the superintendent or the superintendent's designee shall meet in an attempt to resolve the grievance. The superintendent or designee shall file an answer within ten (10) school days of the third step grievance meeting and communicate it in writing to the grievant and the principal.

Fourth Step: If the grievance is not resolved satisfactorily at step three, there shall be available a fourth step of impartial, binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grieving teacher to the superintendent within fifteen (15) school days after said notice is given. If the two parties fail to reach agreement on an Arbitrator within seven (7) school days, the Federal Mediation Service will be requested to provide a panel of seven (7) arbitrators. Each of the two parties will alternately strike one name at a time from the panel until only one shall remain. The remaining name shall be the Arbitrator. The decision of the Arbitrator will be binding on the parties.

Expenses for the Arbitrator's services shall be borne equally by the School District and the Association.

The Arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. The arbitrator's authority shall be strictly limited to deciding only the issue, or issues, presented in writing by the School District and the Association and the arbitrator's decision must be based solely and only upon his/her interpretation of the meaning or application of the express relevant language of the Agreement.

E. Year-End Grievance

In the event a grievance is filed at a time it cannot be processed through all the steps outlined, the time limits herein contained may be reduced by mutual agreement so that the grievance steps may be extended prior to the end of the school term or as soon after as possible.

F. Double Jeopardy

If the grievant files any claim in any forum other than the grievance procedure outlined in the Agreement, the School district shall not be required to process the same claim or set of facts through the grievance procedure.

SPECIAL INCREMENTS FOR SPECIAL SERVICES

1. All increments for athletic coaching are based on a percentage of the scheduled salary; this percentage is figured on the appropriate step on the BA salary, Column VII. In this way, the increment for coaching increases with experience, but is not related to advanced training beyond the BA degree; calculations of dollar increment for each extra-curricular assignment shall be based on previous experience in coaching or directing such activity.
